POPE BANS DANCING.

Not to Be Permitted at Parochial Entertainments.

New York, June 4.—Pope Benedict has caused the issuance of an edict forbidding any society under parochial jurisdiction from giving any entertainment where there is dancing. The congregations of the Roman Catholic parishes of this city today were surprised by this action, and the workers who have used the annual balls as a chief means of raising society funds were confronted with a problem of finding a substitute entertainment.

COLORED CADETS IN ANNUAL DRILL

Company B, of M Street High, Takes First Honors in Competition.

Company B, of the M Street High School, won first honors in the annual competitive drill of colored cadets of the District high schools yesterday. Led by Capt. L. D. Milton, the company attained a percentage of 87, retrieving the military record of the school.

The standard of Company B was placed above the winning company of last year, C, of Armstrong, which yesterday rested content with second honors and a percentage of 85. Company C was in command of Capt. Gant. Company D, also of Armstrong, was given third place, with a mark of 84.

Before the eyes of hundreds of admirers, members of the school board and school officials, the 35 colored cadets finished the day of drill at American League Park with a full dress review and parade.

Seven companies were in the field, the M Street School had three, A, B and G; Armstrong's Manual Training had C, D and F, and Phelps Business School was represented by Company E.

Judges were Capt. C. C. H. Davis and Lieut. R. A. Jackson and N. R. Brown. Col. Arthur Brooks, military instructor, received many compliments because of the high efficiency of the cadets.

President H. P. Blair, of the Board of Education, and Maj. J. C. Castner, adjutant general of the District National Guard, were reviewing officers of the parade and review. R. C. Bruce, assistant superintendent of colored schools, was in charge of the military program.

The prize banners were awarded by President Blair, who was attended by Superintendent of Schools E. L. Thurston and Assistant Superintendent Bruce in the presentation ceremony.

Members of Company B given the first award are: Captain Lorimer Douglas A. Milton; first lieutenant, Frederick A. Parker; second lieutenant, Henry Brown; first sergeant, Francis Richardson; second sergeant, James Jones; third sergeant, Jesse Keene; fourth sergeant, Marcellus Glascoe; fifth sergeant, Lawrence Larry.

Corporals—Maurice Brooks, Frederick Brown, Furman Jones, Thomas Murray, Elmer Toyer and William H. Welch.

Privates—Paul Beckley, Lloyd Bruce, Leroy Christian, Armound Cole, Robert Collins, Lorenzo Eggleston, Allen Grimes, John Hardwick, Roscoe Henderson, Richard Jenifer, Philip Jones, Samuel Milton, Carey Paynter, Henry Richard, Morris Simpson, Ralph Smith, Albert Taylor, Alvin Thornton, Harry Thomson, Fred Upshur, Waldo Webb, Wilmer Brock, Everett Campbell, George Calloway, Joseph Childs, Joseph Douglass, Dewey Fisher, Marcellus Harris, Leroy Henderson, Lee Roy James, William J. NAVY TO OPEN SCHOOL FOR U-BOAT OFFICERS

Secretary Daniels Plans Course at New London, Conn., Beginning July 1.

Special arrangements for training naval officers for submarine duty are to be initiated by Secretary of the Navy Daniels on July 1 next. A school for the instruction of officers in both the theoretical and practical work of submarines will be opened by the Navy Department at New London, Conn., on that date. The first class of officers will report for a six months' course. Upon the termination of this course, another class will be started.

Secretary Daniels has followed the suggestion of Rear Admiral Grant, commander of the submarine flotilla, in instituting this departure. Rear Admiral Benson, chief of naval operations, and Rear Admiral Griffin, chief of the bureau of steam engineering, heartily endorse it.

With the exception of the "A," "B" and "C" boats—the first and smallest built by the government—two officers are now assigned to each submarine. It is planned that officers, when they graduate from the submarine school, shall be appointed to subordinate positions on board boats and be placed in command only after they have been trained and have proved their aptitude for submarine work in subordinate positions.

It is believed that this arrangement will assure the best handling of submarine engines and batteries and perhaps aid in the development of the machinery.

Rock Creek Bridge Named.
The new bridge crossing on Q street is to be known as the Dumbarton Bridge. The name was given to the structure by the Board of Commissioners yesterday afternoon, to commemorate the name of the tract of land upon which the easterly part of Georgetown was laid out and which Nimitz Hill received by letters patent from the British crown.

SERMON IN PAINTING.

Discussion over the proposal to erect a municipal power plant at Great Falls has been caused by an innocent picture hanging over one of the stairways in the lobby of the Shoreham Hotel. The picture, an oil painting by W. Tripplett Davis, depicts the beauty of the falls.

Mr. Davis, who is a brother of Henry B. Davis, contractor, was thinking of everything but the power plant when he painted the picture, but in reproducing such a striking view of the waterfall, showing its strength and its beauty, he has made the innocent picture a storm center.

Both sides in the power plant argument claim the picture presents their case. The opponents of the plant cite the beauty of the falls, while the power plant advocates say the water power depicted argues for the plant.

Rocky Mountain National-Estes Park
Makes Your Ideal Vacation Possible!

Visitors to Rocky Mountain National-Estes Park, Colorado, all say that the reality far exceeds their hopes and that the Park must be seen to be appreciated. It consists of 100,000 acre-scenic acres, the whole of which combines to offer you any kind of diversion that you may prefer.

There is golf and tennis for those who like the sports, and riding and motoring for others, and there is camping-out for those who want to "rough it." Two million native and rainbow trout are introduced into the streams each year, and scarcely a day's journey from the Park is one of the wildest sections of the Rockies, abounding in deer, bear, mountain lions and wolves.

I would like to tell you about the side-trips, the mountains to scale, the canyons to explore, the unusual wild flowers, the hotel service, the cottage arrangement, the facilities for camping, and the daylight journey to and from the Park.

Drop in at the office and I can then tell you how much the trip you are planning will cost, and suggest many useful arrangements, or, if more convenient, send your address on a postal and I will answer by sending you our folder on Rocky Mountain National-Estes Park, containing excellent pictures, maps and reading matter.
